At Luccart, we combine aesthetics, functionality, and durability to create bathroom furniture that stands out. Designed to meet the highest expectations of the professional market, our latest model is a showcase of innovation and expertise

## *Why choose Luccart furniture?*

- *Certified quality:* Our furniture is manufactured in compliance with the strictest industrial standards, ensuring uncompromised durability and reliability.
- *Elegant design:* A minimalist and refined style that integrates perfectly into contemporary bathrooms while offering flexible installation for various spaces.
- *Trusted partner:* Luccart works closely with distributors and B2B partners across Europe, America, and Africa, a testament to the quality of our products and services.

## *Key features:*

- *GRASS runners:* Featuring high-precision GRASS runners, this cabinet ensures smooth opening and closing, offering exceptional robustness and longevity. The full-extension drawers provide ease of use for demanding professionals and their clients.
- *High-quality materials:* The cabinet body is made from top-quality MDF or 18 mm particle board, ensuring better resistance to humid environments. It also maintains perfect structural integrity, even after years of use.
- *Lacquer finish:* The 18 mm MDF front features a smooth and glossy lacquer finish, providing a modern and elegant visual appeal.
